SUMMER 2010

FROM THE PRESIDENT'S DESK...

It is now time to start making plans to attend our 2010 reunion in Pensacola, Florida. As it is on the Nation's conscience so should be the disaster that is unfolding on our Nation's southern shores. I have decided that we as an organization should go forth with the plans that are in place as of now regarding our upcoming reunion. We have faced and overcome far worse over the years, and I have no doubt that we will prosper with the plans that are. Our Pensacola detachment has made and put in place some great activities that we as a group can enjoy despite what may be going on at the beaches. Nothing is planned that entails our going into the water. We will have in the welcome packet a host of activities and places to sightsee and visit that will cater to most of our memberships' tastes.

Because of the cost involved, there won't be any activity planned as a group. There will be ample time to visit the surrounding places of interest. As a surprise, we are in the planning stages with the Air Force to have one of their C-130J's that their Weather Squadron flies out of Biloxi, Mississippi, to visit our transient flight line. If all goes well, we will be able to go over and look at all the modern technology that is airborne today. That is in the planning stage only and final plans haven't been made as to definitely include in this *Newsletter*. It will be posted on our website when it is finalized. I think this is a wonderful opportunity for us "old timers" to go see what the younger generation is doing and flying.

All of the planned activities are included in this *Newsletter* with the attendant sign up forms and costs. Please be advised that the registration fee is per person, as this caused some confusion last year. I also understand that this year's reunion is a little more costly than in the past several years or so. Unfortunately the Navy has assigned the Navy

Lodge and all other activities aboard Naval Air Station Pensacola to a "for profit entity" and the costs are out of our hands. It is a take-it-or-leave-it proposition, and so please don't beat up the Panhandle detachment, as the cost were out of their hands and little could be done to reduce costs, even as much as I tried.

I am looking forward to this year's reunion... I have been in contact with 14 "lost hunters" that have never attended one of our reunions. It will be my honor and pleasure to introduce them to the membership at the annual all-hands meeting.

Fair winds and following seas to all

Hurricane Hunter Golf Shirts Available For Reunion Goers

The Navy Hurricane Hunters Florida Panhandle Detachment, in addition to planning a first-class reunion for us all, has added something special that is sure to be a hit with all Hunters. They have arranged with *Wings and Things Monogramming* of Pensacola to procure quality golf shirts at a very reasonable price. They are available in both men's and women's styles and all are navy blue in color and feature the VW-4 logo.

All shirts, men's and women's and all styles, are priced at \$15.00 each. The shirts must be ordered in advance using the registration form and will be available for pick-up at the reunion. No shirts will be for sale at the reunion. Be sure to indicate number of shirts, size, and style on the registration form.

The men's shirts are available in two styles: Port Authority EZCotton Pique Sport Shirts without pockets and Port Authority EZCotton Pique Knit Sport Shirt with Pocket. The men's shirts are available in sizes XS through 6XL in either style.

The women's shirts are Port Authority Ladies EZCotton Pique Sports Shirts without pockets. These shirts have a gently contoured silhouette and a 5-button plaque. The women's shirts are available in sizes XS through XXL plus 1X and 2X.

Once again, these shirts will not be for sale in the "Ready Room" but must be ordered in advance with your registration and picked up in Pensacola at the reunion.

HH 2010 Reunion Schedule And Planned Activities

The Navy Hurricane Hunters' 2010 Reunion begins on Thursday, 30 September from 1300 to 1700 where we'll check in at the Navy Lodge aboard NAS Pensacola and proceed to the Ready Room to register and pick-up our reunion packets.

At 1730, we muster at the Mustin Beach Officers' Club, on Pensacola Bay about one mile north of the Navy Lodge and the Naval Aviation Museum, for our Wine and Cheese Party.

The merriment continues with the Beach Party on Friday, 1 October from 1100 to 1600 at Ski Beach, about two miles from the Naval Aviation Museum. The menu choices for the Beach Party are Smoked Boston Butt or Barbequed Boneless Chicken Thighs. Both menu items are served with Texas Toast, cole slaw, and chips. Of course beer, soft drinks, and ice will be provided. Be sure to make your menu selection known on your registration form. Ski Beach offers a large pavillion with a capacity of 125 and several smaller, nearby picnic shelters. Horse shoes and volley ball are some of the offered activities.

Saturday, 2 October begins at 1000 with the All-Hands Meeting in the Mini-Theater at the Naval Aviation Museum. Following the All-Hands Meeting might be a good time to tour the museum and check-out the "Connie" parked in the back yard.

Our festivities continue Saturday night in the National Naval Aviation Museum, site of our annual banquet. Social Hour is from 1730 to 1830, and yes, there is a cash bar. Dinner begins at 1830, and the menu choices are Prime Rib of Beef with Creamy Horseradish Sauce or Blackened Redfish with Mango Sauce. For dessert we'll have Southern Pecan Pie and coffee. Our speaker for the evening is VADM Gerald Hoewing, President of the Naval Aviation Museum Foundation and CEO of the Naval Aviation Museum

Sadly, it all ends Sunday as we say our "Good-byes" and begin thinking of next year's reunion.
